A BILL

To establish Pinnacles National Park in the State of California as a unit of the National Park System, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 *This Act may be cited as the “Pinnacles National Park*
5 *Act”.*

6 **SEC. 2. FINDINGS.**

7 *The Congress makes the following findings:*

8 *(1) Pinnacles National Monument was estab-*
9 *lished by Presidential Proclamation 796 on January*
10 *16, 1908, for the purposes of protecting its rock for-*
11 *mations, and expanded by Presidential Proclamation*
12 *1660 of May 7, 1923; Presidential Proclamation 1704*
13 *of July 2, 1924; Presidential Proclamation 1948 of*
14 *April 13, 1931; Presidential Proclamation 2050 of*
15 *July 11, 1933; Presidential Proclamation 2528 of De-*
16 *cember 5, 1941; Public Law 94–567; and Presidential*
17 *Proclamation 7266 of January 11, 2000.*

18 *(2) While the extraordinary geology of Pinnacles*
19 *National Monument has attracted and enthralled visi-*
20 *tors for well over a century, the expanded Monument*
21 *now serves a critical role in protecting other impor-*
22 *tant natural and cultural resources and ecological*
23 *processes. This expanded role merits recognition*
24 *through legislation.*

1 (3) Pinnacles National Monument provides the
2 best remaining refuge for floral and fauna species
3 representative of the central California coast and Pa-
4 cific coast range, including 32 species holding special
5 Federal or State status, not only because of its mul-
6 tiple ecological niches but also because of its long-term
7 protected status with 14,500 acres of Congressionally
8 designated wilderness.

9 (4) Pinnacles National Monument encompasses a
10 unique blend of California heritage from prehistoric
11 and historic Native Americans to the arrival of the
12 Spanish, followed by 18th and 19th century settlers,
13 including miners, cowboys, vaqueros, ranchers, farm-
14 ers, and homesteaders.

15 (5) Pinnacles National Monument is the only
16 National Park System site within the ancestral home
17 range of the California Condor. The reintroduction of
18 the condor to its traditional range in California is
19 important to the survival of the species, and as a re-
20 sult, the scientific community with centers at the Los
21 Angeles Zoo and San Diego Zoo in California and
22 Buenos Aires Zoo in Argentina looks to Pinnacles
23 National Monument as a leader in California Condor
24 recovery, and as an international partner for condor
25 recovery in South America.

1 (6) *The preservation, enhancement, economic
2 and tourism potential and management of the central
3 California coast and Pacific coast range's important
4 natural and cultural resources requires cooperation
5 and partnerships among local property owners, Fed-
6 eral, State, and local government entities and the pri-
7 vate sector.*

8 **SEC. 3. ESTABLISHMENT OF PINNACLES NATIONAL PARK.**

9 (a) *ESTABLISHMENT AND PURPOSE.—There is hereby

14 woodlands, and majestic valley oak savanna eco-
15 systems of the area, the area's geomorphology, ripar-
16 ian watersheds, unique flora and fauna, and the an-
17 cestral and cultural history of native Americans, set-
18 tlers and explorers; and*

19 (2) *interpreting the recovery program for the
20 California Condor and the international significance
21 of the program.*

8 terests therein are incorporated within and made part
9 of Pinnacles National Park. Any funds available for
10 purposes of the monument shall be available for pur-
11 poses of the park.

13 than in this Act), regulation, document, record, map
14 or other paper of the United States to Pinnacles Na-
15 tional Monument shall be considered a reference to
16 Pinnacles National Park.

18 shall administer Pinnacles National Park in accordance
19 with this Act and laws generally applicable to units of the
20 National Park System, including the National Park Service
21 Organic Act (16 U.S.C. 1, 2–4).

2 *derness”. Any reference in a law, map, regulation, docu-*
3 *ment, paper, or other record of the United States to the Pin-*
4 *nacles Wilderness shall be deemed to be a reference to the*
5 *Hain Wilderness.*
